<sup>a</sup> National Park Service peak-season staff estimates include permanent and seasonal workers. Approximately 20% of park staff are seasonal workers.

<sup>b</sup> A total of 15 National Park Service staff are assigned to the five campgrounds in Yosemite Valley.

<sup>c</sup> Two full-time National Park Service staff (ranger and maintenance) are assigned to the backpackers campgrounds, and one full-time National Park Service staff is assigned to the Pioneer Yosemite History Center. The employment figures include two interns at Little Yosemite Valley Ranger Station, and approximately five interns at the Pioneer Yosemite History Center.
